Sec. 130.453. ADMINISTRATION. The coordinating board shall administer the program in consultation with the Texas Education Agency and the Texas Workforce Commission.

Sec. 130.454. APPROVAL OF ALTERNATIVE HIGH SCHOOL DIPLOMA PROGRAM. (a) A public junior college may submit to the coordinating board an application to participate in the program. The application must propose an alternative competency-based high school diploma program to be offered for concurrent enrollment to adult students without a high school diploma who are enrolled in a workforce education program at the college. The proposed program may include any combination of instruction, curriculum, achievement, internships, or other means by which a student may attain knowledge sufficient to adequately prepare the student for postsecondary education or additional workforce education.

(b) A public junior college may submit an application under Subsection (a) together with one or more public junior colleges, general academic teaching institutions, public school districts, or nonprofit organizations with whom the proposed program described by that subsection will be offered as provided by Subsection (e).

(c) The coordinating board may approve not more than five public junior colleges to participate in the program.

(d) Subject to Subsection (c), the coordinating board shall review and approve a public junior college's application to participate in the program if the board determines that the college's proposed program described by Subsection (a) will provide instruction and assessments appropriate to ensure that a student who successfully completes the proposed program demonstrates levels of knowledge sufficient to adequately prepare the student for postsecondary education or additional workforce education. The coordinating board may coordinate with the Texas Education Agency as necessary to make a determination under this subsection.

(e) A public junior college approved to participate in the program may:

Sec. 130.456. FUNDING. (a) The coordinating board and the Texas Workforce Commission shall coordinate to jointly identify funding mechanisms, including grants, interagency contracts, financial aid, or subsidies, available to public junior colleges and students to encourage and facilitate participation in the program.

SECTION 46. Subtitle G, Title 3, Education Code, is amended by adding Chapter 130A to read as follows:

CHAPTER 130A. PUBLIC JUNIOR COLLEGE STATE FINANCE
PROGRAM

SUBCHAPTER A. GENERAL PROVISIONS

Sec. 130A.001. LEGISLATIVE INTENT. It is the intent of the legislature that, as public junior colleges are locally governed institutions, providing foundational funding for instruction and operations of public junior colleges should be primarily a local responsibility, supported through a combination of tuition, fees, and local property taxes, with state funding focused primarily on rewarding outcomes aligned with regional and state education and workforce needs.

Sec. 130A.002. PURPOSE. The purpose of the public junior college state finance program established under this chapter is to provide a modern and dynamic finance system that ensures that each public junior college has access to adequate state appropriations and local resources to support the education and training of the workforce of the future.

Sec. 130A.003. DEFINITIONS. In this chapter:

(1) "Commissioner" means the commissioner of higher education.

(2) "Coordinating board" means the Texas Higher Education Coordinating Board.

(3) "Program" means the public junior college state finance program established under this chapter.

(4) "Public junior college" has the meaning assigned by Section 61.003. Sec. 130A.004. PROGRAM COMPONENTS. The program consists of:

(1) a base tier of state and local funding determined in accordance with Subchapter B that ensures each public junior college has access to a defined level of base funding for instruction and operations; and

(2) a performance tier of state funding determined in accordance with Subchapter C that constitutes the majority of state funding and is distributed based on measurable outcomes aligned with:

(A) regional and state workforce needs; and

(B) state goals aligned to the state's long-range master plan for higher education developed under Section 61.051.

Sec. 130A.005. ADMINISTRATION OF PROGRAM. (a) The coordinating board may adopt rules, require reporting, and take other actions consistent with Chapter 61, Chapter 130, and this chapter as necessary to implement and administer the program.

(b) In adopting rules under this section, the coordinating board shall consult with the advisory committee established under Section 130.001(b)(5).

(c) Notwithstanding Section 61.033, the coordinating board is not required to use negotiated rulemaking procedures under Chapter 2008, Government Code, for the adoption of rules under this section.

Sec. 130A.006. REQUIRED REPORTING. The coordinating board by rule shall require each junior college district to report to the coordinating board through the Education Data System, Community College Annual Reporting and Analysis Tool, Report of Fundable Operating Expenses, or any successor program, data necessary to:

(1) calculate funding under this chapter;

(2) provide timely data and analyses to inform management decisions by the governing body of each junior college district;

(3) administer or evaluate the effectiveness of the program; or

(4) audit the program.

Sec. 130A.007. COMMISSIONER AUTHORITY TO RESOLVE DATA REPORTING ERRORS AND UNINTENDED CONSEQUENCES FROM FUNDING FORMULAS. (a) The commissioner may review the accuracy of data reported to the coordinating board by junior college districts.

(b) The commissioner may adjust:

(1) the distribution of funding under this chapter for a state fiscal year as necessary to correct errors in data reporting identified through the commissioner's review under Subsection (a); and

(2) a junior college district's funding under this chapter if the funding formulas used to determine the district's entitlement would result in an unanticipated loss or gain for the district that would have a substantial negative impact on the district's operations.

(c) Before making an adjustment under this section, the commissioner must request and receive written approval from the Legislative Budget Board and the office of the governor. A request to make an adjustment is considered approved unless the Legislative Budget Board or the office of the governor issues a written disapproval within 60 business days after the date on which the request is received.

(d) If the commissioner makes an adjustment under Subsection (b), the commissioner shall provide to the legislature an explanation regarding the changes necessary to resolve the data reporting errors or the unintended consequences, as applicable.

Sec. 130A.008. CENSUS DATE ELIGIBILITY. A junior college district may report a student in attendance on the district's approved course census date for the purpose of funding under this chapter.

Sec. 130A.009. RECOVERY OF OVERALLOCATED FUNDS. (a) If a junior college district has received an overallocation of state funds, the coordinating board shall recover from the district an amount equal to the overallocation by withholding from subsequent allocations of state funds for the current or subsequent academic year or by requesting and obtaining a refund from the district.

(b) Notwithstanding Subsection (a), the coordinating board may recover an overallocation of state funds over a period not to exceed the subsequent five academic years if the commissioner determines that the overallocation was the result of exceptional circumstances reasonably caused by statutory changes to Chapter 130 or this chapter and related reporting requirements.

(c) If a junior college district fails to comply with a request for a refund under Subsection (a), the coordinating board shall report to the comptroller that the amount constitutes a debt for purposes of Section 403.055, Government Code. The coordinating board shall provide to the comptroller the amount of the overallocation and any other information required by the comptroller. The comptroller may certify the amount of the debt to the attorney general for collection. The junior college district's governmental immunity is waived to the extent necessary to collect the debt owed under this section.

(d) Subject to Subsection (e), the coordinating board may review a junior college district as necessary to determine if the district qualifies for each amount received by the district under this chapter. If the coordinating board determines that a junior college district received an amount to which the district was not entitled, the coordinating board may establish a corrective action plan or withhold the applicable amount of funding from the district.

(e) The coordinating board may not review junior college district expenditures that occurred seven or more years before the review.

Sec. 130A.010. GIFTS, GRANTS, AND DONATIONS. Except as provided by other law, an affiliated nonprofit organization described by Section 61.051(b) may solicit and accept gifts, grants, or donations of personal property from any public or private source to implement or administer this chapter.

SUBCHAPTER B. STATE FUNDING: BASE TIER

Sec. 130A.051. BASE TIER FORMULA. The amount of base tier state funding to which a junior college district is entitled for instruction and operations under this subchapter for a state fiscal year is an amount equal to the amount, if any, by which the district's guaranteed instruction and operations funding, as determined under Section 130A.052, exceeds the district's local share of base tier funding, as determined under Section 130A.056.

Sec. 130A.052. GUARANTEED INSTRUCTION AND OPERATIONS FUNDING FORMULA. The amount of a junior college district's guaranteed instruction and operations funding for a state fiscal year is equal to the sum of:

(1) the product of:

(A) the district's basic allotment under Section 130A.053; and

(B) the number of weighted full-time equivalent students enrolled at the district determined in accordance with Section 130A.054; and

(2) the district's contact hour funding under Section 130A.055.

Sec. 130A.053. BASIC ALLOTMENT. The basic allotment for a junior college district for a state fiscal year is an amount per weighted full-time equivalent student set by the General Appropriations Act or other legislative appropriation.

Sec. 130A.054. WEIGHTED FULL-TIME EQUIVALENT STUDENT; SCALE ADJUSTMENT. (a) The coordinating board by rule shall establish student weights for purposes of this chapter that reflect the higher cost of educating certain students.

(b) The student weights must be established in a manner that results in appropriate funding to a junior college district for the education of a student enrolled in an eligible credit or non-credit program who is:

(1) 25 years of age or older;

(2) economically disadvantaged, as defined by coordinating board rule;

or

(3) academically disadvantaged, as defined by coordinating board rule.

(c) Subject to Subsection (d), the number of weighted full-time equivalent students enrolled at a junior college district for purposes of this subchapter is equal to the sum of:

(1) the number of full-time equivalent students enrolled in the district;

and

(2) the sum of the weights assigned to students enrolled in the district.

(d) The coordinating board by rule shall establish an equitable adjustment to the number of weighted full-time equivalent students determined under this section for each junior college district with a total enrollment of fewer than 5,000 full-time equivalent students.

(e) Not later than November 1 of each even-numbered year, a junior college district that receives an adjustment under Subsection (d) shall submit to the commissioner a report on the district's participation in institutional partnerships and shared services available under Section 61.0571 or other partnerships to reduce costs and improve operational efficiency.

Sec. 130A.055. CONTACT HOUR FUNDING. (a) The legislature shall set by appropriation the amount of funding to be provided to a junior college district under this subchapter per contact hour.

(b) The amount of funding per contact hour must be weighted by discipline to reflect the cost of providing the applicable course.

(c) The coordinating board shall determine the total amount of contact hour funding to which each junior college district is entitled under this section.

Sec. 130A.056. LOCAL SHARE. A junior college district's local share of base tier funding is an amount equal to the sum of the amounts of revenue estimated to be generated by:

(1) imposing a maintenance and operations ad valorem tax in the district at a rate of \$0.05; and

(2) assessing an amount of tuition and fees to each full-time equivalent student enrolled in the district equal to the statewide average amount of tuition and fees assessed by junior college districts to a full-time equivalent student, determined as provided by coordinating board rule.

SUBCHAPTER C. STATE FUNDING: PERFORMANCE TIER

Sec. 130A.101. PERFORMANCE TIER. (a) A junior college district is entitled to performance tier funding for a state fiscal biennium in an amount equal to the sum of the amounts determined under Subsection (b) for each measurable outcome described by Subsection (c).

(b) The amount of performance tier funding for each measurable outcome described by Subsection (c) is equal to the product of:

(1) the sum of:

(A) the number of times that outcome was achieved by the junior college district, determined as provided by coordinating board rule; and

(B) for an outcome described by Subsection (c)(1) or (2), the sum of the applicable student weights established by coordinating board rule for the students who achieved the outcome at the junior college district as determined under Paragraph (A) of this subdivision; and

(2) the amount set by the General Appropriations Act or other legislative appropriation for the outcome.

(c) The measurable outcomes considered for purposes of performance tier funding are:

(1) the number of credentials of value awarded, as determined by the coordinating board based on analyses of wages and costs associated with the credential, including degrees, certificates, and other credentials from credit and non-credit programs that equip students for continued learning and greater earnings in the state economy, with an additional weight for placement of students who earn that credential in a high-demand occupation, as defined by coordinating board rule, or an appropriate proxy determined by the coordinating board based on available data;

(2) the number of students who earn at least 15 semester credit hours or the equivalent at the junior college district and:

(A) subsequently transfer to a general academic teaching institution, as that term is defined by Section 61.003; or

(B) are enrolled in a structured co-enrollment program, as authorized by coordinating board rule; and

(3) the number of students who complete a sequence of at least 15 semester credit hours or the equivalent for dual credit or dual enrollment courses, as defined by coordinating board rule, that apply toward academic or workforce program requirements at the postsecondary level.

CSHB 1527, A bill to be entitled An Act relating to the relationship between dentists and certain employee benefit plans and health insurers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 1451.206, Insurance Code, is amended by adding Subsections (d) and (e) to read as follows:

(d) An employee benefit plan or health insurance policy provider or issuer may not recover an overpayment made to a dentist unless:

(1) not later than the 180th day after the date the dentist receives the payment, the provider or issuer provides written notice of the overpayment to the dentist that includes the basis and specific reasons for the request for recovery of funds; and

(2) the dentist:

(A) fails to provide a written objection to the request for recovery of funds and does not make arrangements for repayment of the requested funds on or before the 45th day after the date the dentist receives the notice; or

(B) objects to the request in accordance with the procedure described by Subsection (e) and exhausts all rights of appeal.

(e) An employee benefit plan or health insurance policy provider or issuer shall provide a dentist with the opportunity to challenge an overpayment recovery request and establish written policies and procedures for a dentist to object to an overpayment recovery request. The procedures must allow the dentist to access the claims information in dispute.

SECTION 2. Section 1451.2065, Insurance Code, is amended to read as follows:

Sec. 1451.2065. CONTRACTS WITH DENTISTS. (a) In this section:

(1) "Covered [~~service~~]" means a dental care service for which reimbursement is available under a patient's employee benefit plan or health insurance policy, or for which reimbursement is available subject to a contractual limitation, including:

(A) [~~+~~] a deductible;

(B) [~~+~~] a copayment;

(C) [~~+~~] coinsurance;

(D) [~~+~~] a waiting period;

- (E) [~~(5)~~] an annual or lifetime maximum limit;
- (F) [~~(6)~~] a frequency limitation; [~~(6)~~]
- (G) [~~(7)~~] an alternative benefit payment; or
- (H) any other limitation.

(2) "Insurer" means a provider or issuer of an employee benefit plan or health insurance policy.

(b) A contract between an insurer and a dentist may not:

(1) limit the fee the dentist may charge for a service that is not a covered service; or

(2) include a provision that both:

(A) allows the insurer to disallow a service, resulting in denial of payment to the dentist for a service that ordinarily would have been covered; and

(B) prohibits the dentist from billing for and collecting the amount owed from the patient for that service if there is a dental necessity, as defined by Section 32.054, Human Resources Code, for that service.

SECTION 3. Subchapter E, Chapter 1451, Insurance Code, is amended by adding Section 1451.209 to read as follows:

Sec. 1451.209. REQUIREMENTS FOR THIRD PARTY ACCESS TO PROVIDER NETWORKS. (a) At the time a provider network contract is entered into or when material modifications are made to the contract relevant to granting a third party access to the contract, an employee benefit plan or health insurance policy provider or issuer shall allow any dentist that is part of the provider network to elect not to participate in the third party access to the contract and to elect not to enter into a contract directly with the third party that will obtain access to the provider network. This subsection does not permit the plan or policy provider or issuer to cancel or otherwise end a contractual relationship with a dentist if the dentist elects to not participate in or agree to third party access to the provider network contract.

(b) An employee benefit plan or health insurance policy provider or issuer that enters into a provider network contract with a dentist, or a contracting entity that has leased or acquired the provider network contract, may grant a third party access to the provider network contract or to a dentist's dental care services or contractual discounts provided under the contract only if:

(1) the provider network contract conspicuously states that the provider or issuer or contracting entity may enter into an agreement with a third party that allows the third party to obtain the provider's, issuer's, or contracting entity's rights and responsibilities as if the third party were the provider, issuer, or contracting entity;

(2) if the contracting entity is an employee benefit plan or health insurance policy provider or issuer, the provider network contract conspicuously states, in addition to the language required by Subdivision (1), that the dentist may elect not to participate in third party access to the provider network contract:

(A) at the time the provider network contract is entered into; or

(B) when there are material modifications to the provider network contract relevant to granting a third party access to the provider network contract;

(3) the third party accessing the provider network contract agrees to comply with all of the original contract's terms, including the contracted fee schedule and obligations concerning patient steerage;

(4) the provider, issuer, or other contracting entity provides in writing to the dentist the names of all third parties with access to the provider network in existence as of the date the contract is entered into;

(5) the provider, issuer, or other contracting entity identifies all current third parties with access to the provider network on its Internet website with a list updated at least once every 90 days;

(6) the provider, issuer, or other contracting entity requires a third party with access to the provider network to identify the source of any discount on all remittance advices or explanations of payment under which a discount is taken, provided that this subsection does not apply to electronic transactions mandated by the Health Insurance Portability and Accountability Act of 1996 (Pub. L. No. 104-191);

(7) the provider, issuer, or other contracting entity provides written or electronic notice to network dentists that a third party will lease, acquire, or obtain access to the provider network at least 30 days before the lease or access takes effect;

(8) the provider, issuer, or other contracting entity provides written or electronic notice to network dentists of the termination of the provider network contract at least 30 days before the termination date;

(9) a third party's right to a dentist's discounted rate ceases as of the termination date of the provider network contract; and

(10) the provider, issuer, or other contracting entity makes available a copy of the provider network contract relied on in the adjudication of a claim to a network dentist not later than the 30th day after the date the dentist requests a copy of that contract.

(c) Subsections (b)(7) and (8) do not apply to a contracting entity that only organizes and leases networks but does not engage in the business of insurance.

(d) A person may not bind or require a dentist to perform dental care services under a provider network contract that has been sold, leased, or assigned to a third party or for which a third party has otherwise obtained provider network access in violation of this section.

(e) This section does not apply:

(1) if access to a provider network contract is granted to:

(A) a third party operating in accordance with the same brand licensee program as the employee benefit plan provider, health insurance policy issuer, or other contracting entity selling or leasing the provider network contract, provided that the third party accessing the provider network contract agrees to comply with all of the original contract's terms, including the contracted fee schedule and obligations concerning patient steerage; or

(B) an entity that is an affiliate of the employee benefit plan provider, health insurance policy issuer, or other contracting entity selling or leasing the provider network contract, provided that:

(i) the provider, issuer, or entity publicly discloses the names of the affiliates on its Internet website; and

(ii) the affiliate accessing the provider network contract agrees to comply with all of the original contract's terms, including the contracted fee schedule and obligations concerning patient steerage;

(2) to the child health plan program under Chapter 62, Health and Safety Code, or the health benefits plan for children under Chapter 63, Health and Safety Code; or

(3) to a Medicaid managed care program operated under Chapter 533, Government Code, or a Medicaid program operated under Chapter 32, Human Resources Code.

SECTION 4. The changes in law made by this Act apply only to an employee benefit plan for a plan year that commences on or after January 1, 2024, or a health insurance policy delivered, issued for delivery, or renewed on or after January 1, 2024, and any provider network contract entered into on or after the effective date of this Act in connection with one of those plans or policies. SECTION 5. This Act takes effect September 1, 2023.

SB 763 - CONFERENCE COMMITTEE REPORT ADOPTED

Representative Hefner submitted the conference committee report on **SB 763**.

SB 763 - REMARKS

REPRESENTATIVE HEFNER: After meeting with members of the senate and the author over there, we determined that Amendment No. 1 that we put on was redundant with the other guardrails we put in place, which would require a background check to be performed, and that they must not be a registered sex offender.

REPRESENTATIVE TALARICO: Representative Hefner, first I want to thank you for trying to work with me from the beginning of this process to try to improve the bill. I'm disappointed that the senate removed that key amendment. So I want to ask you some questions about the current version of the bill that we have before the body. First, Representative Hefner, do you think a chaplain can replace a school counselor?

HEFNER: I trust our school districts to make that determination, Representative Talarico. The bill is clear that they can either come in and work along with the counselors, in place of, or whatever the school best sees fit to serve their students and teachers.

TALARICO: Let me ask it another way. Do you think a chaplain has the same qualifications as a school counselor?

HEFNER: I don't think their qualifications all line up, but I do think they both have important qualifications that contribute to helping our kids and teachers in our schools.

TALARICO: So to be a school counselor in Texas you have to have a master's degree. Does your bill require chaplains to have a master's degree?

HEFNER: No.

TALARICO: To be a school counselor in Texas you have to teach in a classroom for two years. Does your bill require a chaplain to teach in a classroom for two years?

HEFNER: No, sir.

TALARICO: Does your bill specify any qualifications for chaplains serving in our schools?

HEFNER: I don't think there's any specific qualifications. I trust our school districts to spell out what qualifications they would require and make those decisions.

TALARICO: Does your bill define what a chaplain is?

HEFNER: I believe it does. I'm looking at it. I mean it's—chaplains are defined in many areas of our government. They serve in our armed forces. They serve in TDCJ and Health and Human Services. There's a lot of places that they serve. And they have specific training as to not force religion on people, but to be good listeners, good support people, and—

TALARICO: I'm glad, Representative Hefner, you brought that up. Is it correct that the senate stripped our house amendment requiring that any chaplains in our schools come from an organization endorsed by the Department of Defense, the TDCJ, or the Federal Bureau of Prisons?

HEFNER: It is accurate to say that they stripped that amendment, which we accepted, and then you voted against the bill after we accepted your amendment.

TALARICO: Now anyone could call themselves a chaplain and provide these services in our schools?

HEFNER: I'm not advised on how that would be defined. What I will reiterate time and time again is I have complete and total faith in our schools to make the decision to put the regulations they see fit in place to qualify these individuals.

TALARICO: Representative Hefner, are you aware that there are Internet services that will ordain a chaplain with just 40 hours of online training?

HEFNER: I'm not advised.

TALARICO: Under your bill, will we allow these Internet-ordained chaplains in our schools to interact with our kids?

HEFNER: Under our bill we allow the school district to make those determinations at the local level.

TALARICO: I offered an amendment to the original bill to require these school chaplains to respect the free exercise of religion and you refused to accept that amendment. Is that correct?

HEFNER: That's correct.

TALARICO: I offered an amendment to prevent chaplains from imposing their beliefs on students, and you refused to accept that amendment. Is that correct?

HEFNER: I refused to accept it because I trust the school districts to put the guidelines in place that they see reasonable and fit. And I also understand that chaplains do not force a religion on people. They're specifically trained not to do that.

TALARICO: And I offered an amendment to require chaplains to respect the diversity of a school community, and you refused to accept that amendment. Is that correct.

HEFNER: Because they are already trained to do such things.

TALARICO: Trained by whom?

HEFNER: Trained by the organizations that certify them as chaplains or recognize them as chaplains.

TALARICO: Does that include these Internet services?

HEFNER: I'm not advised of the details on that.

TALARICO: Okay, so we may be allowing chaplains who are not trained to do these things under the current language of the bill?

HEFNER: If the local school districts choose to do so. They can make those decisions themselves.

TALARICO: I offered an amendment to require parental consent before children can meet with the chaplain, and you refused to accept that amendment. Is that correct?

HEFNER: I don't recall all of the details of that day. It's been a few days and late nights.

TALARICO: We offered an amendment that you did accept requiring background checks. So I'm trying to figure out what kind of requirements we provide in this bill and which ones we don't.

HEFNER: I think these amendments that we took which were—the amendments you're talking about, too, were either accepted by this house or rejected by the majority of this house. Those were things that I felt would already be done by responsible school districts. I don't think we have a single school district in the state that would not require a background check or to make sure that these people aren't sex offenders. I mean, we've got to apply some common sense every now and then.

TALARICO: Representative Hefner, I'm concerned that the amendment stripped by the senate will now open up this bill to certain vendors. We've discussed the National School Chaplain Association. Do you remember that conversation?

HEFNER: I do not remember that. I don't recall.

TALARICO: The National School Chaplain Association testified in favor of the bill both in the house and the senate. Have they helped you with this bill at all?

HEFNER: I don't recall. I had input from a lot of different people.

TALARICO: Are you aware that the stated purpose of this organization is to "enhance God's presence by infiltrating the system and supporting Christians functioning and operating inside the school system"?

HEFNER: I'm not advised.

TALARICO: Do you think we should encourage the infiltration of our public schools?

HEFNER: You want to know what I really think, Mr. Talarico? I think it's preposterous that members in here will defend the acts of certain inappropriate drag shows in our schools and inappropriate material in our libraries and then have the audacity to say that this is a problem.

TALARICO: I don't know what drag shows have to do with this bill. But I want to ask you about this organization, the National School Chaplain Association. Do you know Rocky Malloy—he's their CEO—he testified in favor of the bill in the house and the senate?

HEFNER: I have met Rocky.

TALARICO: So you have met with Rocky Malloy?

HEFNER: I've met him before.

TALARICO: Has he worked on this bill at all?

HEFNER: They provided some input.

TALARICO: Are you aware that Rocky Malloy has said chaplains are not professional counselors and children don't need professional counseling, they just need to be heard?

HEFNER: I'm not familiar with that.

TALARICO: He said he has a phone application that gives instructions on how to pray with students who are suicidal. Do you believe that the answer to kids who are suicidal is for them to pray and not get professional mental health counseling?

HEFNER: That has nothing to do with this bill.

TALARICO: Rocky Malloy has stated he wants chaplains going into teachers' classrooms and reviewing every single book available to students. Do you, as the bill author, want chaplains censoring or banning books in libraries or classrooms?

HEFNER: No.

TALARICO: No? Are you familiar that Rocky Malloy describes himself as a former drug-smuggling pirate saved by divine intervention?

HEFNER: I'm not aware.

TALARICO: He's admitted to being convicted of international drug trafficking.

HEFNER: I'm not advised.

REPRESENTATIVE WU: We're asking you not to concur with this legislation. This original bill seeks to replace licensed counselors with untrained clergy and religious staff. The few guardrails that the house put in have been stripped out. We're asking you to send this back to the senate, send this back to conference, and put some more guardrails back in. I urge you to vote no on concurrence.

HEFNER: I, like many of y'all, have complete trust in our school boards. I believe they have the best interest of our students in mind and I trust them to hire a qualified chaplain, if they choose to do so.

REPRESENTATIVE GERVIN-HAWKINS: I don't want to get into all the boogeyman stories and all those kinds of things. I just want to be clear myself. Let's define chaplain so we can all understand what that means. It can be someone that is certified under the Catholic religion, under Baptist, under whatever. Is that true?

HEFNER: Yes, that's true.

GERVIN-HAWKINS: And we are just talking about a person to come in as a counselor, mentor, tutor?

HEFNER: Right. A support person, a listener. Somebody that can just be there to listen. Chaplains are trained to give just good life advice, and they are good listeners. They're trained—it's a calling. They are specifically trained to do certain things.

GERVIN-HAWKINS: They're not coming in to teach or is this a teaching role? Or is it just one that supports like you just laid out?

HEFNER: Correct. Absolutely.

GERVIN-HAWKINS: Our faith-based community presence in the schoolhouse could potentially help us?

HEFNER: Correct.

GERVIN-HAWKINS: Thank you, that's all I need to know.

Representative Hefner moved to adopt the conference committee report on **SB 763**.
